Christ the King Members

Greetings to All!

The Oxford-based H-I-M group has had a great riding season in 2008. Our summer was wonderful as we added several new members to our group. Also, our Biker Saturday held on August 30th (Labor Day Weekend) was a blast! We had about 200 bikers participate in this day of fun and evangelism. Two people came forward for prayer during the Invitation and six people were baptized in the lake at the event. It was a blessing to serve our neighbors in this way.

We are getting serious about starting Fall and Winter Bible studies. Personally, I'm praying for a growth spurt in this area for all of us!

Please keep Randy Puff, our Under Shepherd and my partner in the Oxford H-I-M Ministry, and myself in prayer as we are about to start a Bible Study to a large group of young men currently residing at the Thumb Correctional Center. We pray for God's blessing in this outreach.

God's Peace to all of you! In Christ's Love,

Under Shepherd Randy Puff & Shepherd Bill Kirkland
