

**The Rock
HIM MINISTRY**

2011

The HIM Ministry at the Rock is gearing up for the 2011 season with the Change Classes starting February 14th 2011 at the ALL NEW HIM HEADQUARTERS in Holly.

We have several people interested in the Change Classes here at the Rock and we are excited to see what GOD has in store for us.

We have plans to set up the Rock Him Booth at the Swap Meet February 13th at the Rock Financial Show place in Novi.

Also we are looking forward to the Holly Vintage Bike Show and Bike Blessing where the Rock HIM will be helping with the event.

The Rock Church has many family events throughout the year with one of the busiest summers for the youth with so many different program's available it's a great place to keep your family in God's word.

The Rock Church has one of the best summer festivals you have ever attended and we are excited for the Rock HIM to be a large part of that summer event ...so come on out and bring a friend to see what the Rock is all about.
