

The Faith Campus
Hogs In Ministry
February 2011

We here at The Faith Campus of Hogs In Ministry are excited at the start of a new year, and a new beginning for serving the Lord and helping to build His Kingdom.

We are looking forward to warmer weather and another great riding season, but in the mean time there are ministry opportunities available at swap meets, starting in February at Rock Financial Show Place in Novi and a custom bike show in March at the Gibraltar Trade Center in Mt. Clemens.

Plans are under way to have our 14th annual Biker Sunday on our own property at E. Holly Rd. It our sincere hope and prayer, that this will be our best Biker Sunday ever.

Our Freedom service here at Faith is growing every week, with an average attendance of 100 – 200 on Tuesday evening, it is truly a blessing to watch our Lord do such a powerful work in the lives of the men and women who come out. I have no doubt that this will be the fastest growing ministry here at Faith in 2011.

The Faith Campus just put on their second 2:42 relationship building event on Friday evening, with good food, entertainment, and games. It was a really enjoyable evening of fellowship with our church family.

So if you're reading this and you're looking for a church to call home we have something here at Faith for everyone.
