

# *The Point Church H.I.M. Ministry*

Greetings from: The Point:

As the '08 riding season comes to an end we are giving thanks for another year that we have been able to serve our Lord as missionaries to those in our area & across the country.

We also are thankful for all those who have given their time and resources to further His Kingdom amid a severe economic downturn. Some have had to make great sacrifices to support their families by even traveling far from home and the ones they love. Others have lost their jobs completely and are struggling to make ends meet.

But, through all this we have seen an increase in membership with brothers and sisters pulling together to make 2008 successful. We had members hitting the highways, attending and working events, covering the H.I.M. booth and sharing and caring about those they encountered almost every weekend. We are thankful for this time of unity and growth but we well remember when the outlook was rather bleak. Our numbers were down and other H.I.M. churches were there to lift us up. How great it was in knowing you all were there for us, and we love all of you for that.

Now winter is approaching, the bikes will be parked, the battery tenders will be turned on and we will prepare for next season. During this slowdown time our hope is that we can all draw closer as a family with H.I.M. Members from all over.

To accomplish this task here at The Point our plan is to have House-to-House Bible Studies and monthly meetings where we can learn about our Lord, share our hearts and love for Him in an intimate setting. Where we can laugh, enjoy one another's company; learn from and about one another.

Also, we are looking forward to hosting this years H.I.M. Christmas Party and spending time with all of you once again.

The prayer of The Point is for all those in the Ministry to draw close to each other and prepare for the 2009 riding season. But, most of all we pray that we might have an opportunity to serve God next year like never before. We pray the Holy Spirit would prepare hearts for the hearing of the Gospel and prepare us to be ready to give a reason for the hope that is within us. 1 Peter 3:15.
